

**Living Our Mission**  
**Your Capital Campaign Update – May 2016**

The “Living Our Mission” capital campaign was launched in October 2014 to do two things:

- 1) Complete our Parking Lot Project
- 2) Rejuvenate our Facilities with some much-needed updates.

**So eighteen months later where do we stand?**

- The total amount that was pledged for the 3-Year Capital Campaign - \$490,054.00.
- Thanks to your generosity, the total funds received in Year 1: \$235,792.57, or \$9,234.44 below our 2015 projections!
- So far in Year 2 we have received: \$52,342.34 of the 2016 projected total of \$122,513.40.

**Progress to date?**

**Parking Lot**

As wise stewards, our priority has been to ERASE the parking lot debt as quickly as possible. Thanks to your generosity we are on target to pay off a 30-year loan in less than two years.

**What does that look like?**

- In November of 2014 the congregation borrowed \$350,000.00 from LCEF to complete our parking lot project.
- In 16 months we reduced this \$350,000.00 parking lot loan by \$295,172.58! As of this letter, the remaining balance on the parking lot is now \$54,827.42.

Once again, thanks to your generosity the loan on the parking lot can very easily be paid off in 2016.

**Building Updates**

- As you have noticed, some updates have taken place. These include new flooring in the entry and fellowship hall, along with the replacement of our main front door.
- The next scheduled update will be the addition of air conditioning for the fellowship hall, kitchen and classrooms, along with improving the heating/cooling for the sanctuary.
- Once the parking lot note has been completed we will turn our attention to additional building updates.

**Thank you!**

Your generosity has made this possible. Please continue your faithful giving toward our capital campaign. Thank you for making “Living Our Mission” a priority. Together we are doing great things!
