Sunday School

Our Sunday School year started out with a bang on Welcome Back Sunday, September 9th. Food, fun, and games! We are using the Kingdom Quest curriculum and it appears to be a hit. We have 118 students enrolled and an average attendance of 71 kids every Sunday. A big thank you to all the teachers and helpers! What a gift from God to be able to share the love of God with these kids every Sunday. Thank you so much to all of you who understand the importance of learning about our faith and for sharing your wonderful kids with us. Class for 4 years through 8th grade and NUTS for youth Grade 9 and up.

Children's Christmas Program

We are so excited for the Christmas program and will begin working with the children in Sunday School and at GLo starting in the next couple of weeks. It will be more of a traditional program with familiar songs and hymns sung by the kids and the congregation. Dates to put on your calendar areas follows.

December 9th - Potluck and then practice immediately following Sunday School.

December 15th - 9am-12noon-Saturday practice with a "Happy Birthday, Jesus!" party immediately following practice.

Nursery

Our nursery is going well with services for children from birth to 4 years. We are asking that parents adhere to the age guidelines, as we have other options for helping with busy children during church services. We are always looking for volunteers!

Busy Bags are available as you come into the church with activities and children's bulletins. Enjoy them and then please return them to the rack as you found them. Feel free to keep the children's bulletins!

KidCheck

We are getting ready to launch the KidCheck system very soon. KidCheck is a quick online child check-in system we will be using to allow you to check your children in using your phone. Create a secure, free online account at go.kidcheck.com or download the KidCheck Mobile App from the App Store or Google Play Store to create, manage, and update your account right on your mobile device. We will use Express Check-In, so that you can check-in using your phone. The information we ask you to provide to help keep your children safe is: Your contact information, a list of your children along with any medical or allergy information, and a list of guardians authorized to pick up your children. We have information available to help you. We will keep you posted on the launch date!

GLo

GLo, "Love God, Love Others", started on Wednesday nights, September 12th, and we have 39 enrolled. Our evening starts with an opening, two rotations of Bible learning and craft, and we finish the evening together to learn the Lord's Prayer, recite our Bible memory verses, and share our highs and lows. Again, thanks so much to for the volunteers who make it happen each week and to you parents, as well, for sharing your children with us.

During Advent, GLo will be from 6:00-7:00pm.
