Sunday School - We are off to a great start this year! There are so many new faces! It's exciting to see! There have been some changes to our Sunday School program, but we feel like they are all changes for the good. For Sunday School, the kids start in church with their family and stay through the Children's Message. After that, they are off to their classes. Our format will change temporarily starting November 3rd as we start to work on our Christmas program. The kids will still be dismissed following the Children's Message, which will happen immediately following the Opening Prayer and Invocation.

Christmas Concert - We are doing a Christmas concert this year that will involve members of all ages in our church. The concert will be held December 15th at 4pm. If you are interested in participating, we would love to have you join us in this joyful celebration. On December 8th, we will have a potluck meal following Sunday School with practice right after that. We will also have a practice on December 14th from 10am-12noon. We will have a short practice followed by a birthday party for Jesus. Lunch will be provided.

GLo - It's an exciting time at GLo this year! Our evening starts with an opening, where we are focusing on the learning the books of the Bible. And, already we have three kids who have learned and recited them to the rest of the group. Absolutely amazing! For the older group of kids, we are changing what they do for craft. They have chosen to apply their faith by helping those in need and showing their love of Christ. Look for opportunities to help them accomplish their goals. My favorite part of the evening is when they break into pairs at the end and share what is going on in their lives. God is good!!

Nursery - At this time, our nursery is unstaffed except for the occasional volunteer. If you are interested in working the nursery or in helping with this ministry, we would love to have your servant heart. There are sign-up sheets outside the nursery door.
